

Wishing you all the happiness in the world on your retirement Pete. I have enjoyed your countdown and am incredibly jealous! Enjoy the time with your family and enjoying a slower pace of life. Wishing you all the very best,

Sarah

I don't believe you're old enough to retire, Pete – I demand an age assessment is carried out before it goes any further! But seriously, we've worked together since I arrived in London 10 years ago, and you've always been a fantastic guy. I hope you have an extraordinarily long, happy, and healthy retirement – and that we might still, occasionally, go for a beer.

Happy dates! James.

I'ts been fantastic working with you all these years and I'm going to miss you. I hope you have a wonderful retirement and enjoy every moment of it. You deserve it. Best wishes,

Alex
